

NHS BLACK HISTORY MONTH PROGRAM

On February 22, 2012, the Norcross High School theatre stage will become the meeting place of historical influence and modern behavior. Through a series of thought-provoking skits, Norcross students will draw attention to the social habits of present day adolescents, referencing these habits against the habits of prominent leaders of the Civil Rights Era. Will the students choose to respect the sacrifice and integrity of these powerful leaders, or will they abandon this legacy and refuse to recognize the shoulders from which they stand? Meet us at this crossroad on Feb. 22, 2012 @ 6:30 PM in the Norcross High School theatre. The Black History Month Program theme is *CROSSROADS*.
